A Month in a Life

As part of an advertising campaign and raising awareness about the malnutrition issue in India, I collaborated with [Action Contre La Faim \(ACF\)](#) and went to meet Rekha and her son, Ramesh Prahlad at a health centre in a remote village in Burhanpur in Madhya Pradesh in Central India. I spent a week with the family and went back 6 months later to their village to check if Prahlad actually recovered.

This is what i saw.
